*EPHESIANS 3:20 Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is in work within us.*

The winter season was long and tiring, but our Athletes stayed engaged all season long. We are proud of our teams as they competed to the best of their abilities, on the court and in the pool. We had 16 Athletes recognized by our conference. 11 received either 1st team or 2nd team honors and the other 5 received honorable mentions. SCS was represented by a Player of the year, Swimmer of the year, and a Coach of the year. The Warriors developed their athletic skills, but more importantly their spirituality, representing SCS and Christ in a way that is pleasing to the Lord.

## Varsity Girls Basketball

The Varsity Girls basketball team, was coached by first year Head Coach Mike Collins and assistant coach Becky Ham. The team of eight had five freshmen, one sophomore and two 8<sup>th</sup> graders. Our JV team, classified as a Varsity team, competed against a varsity schedule and improved game to game. An impressive

showing of heart and determination was on display against Emerson Waldorf at home. The girls took the conference tournament runner-ups to the wire as they were tied with under 3 minutes to play. Our girls eventually would run out of energy only losing by 8. We are extremely proud of the effort the girls showed all season long. Even though our Lady Warriors faced giants all season, the word quit was never in their vocabulary. "This team, made up of young determined ladies, left it all on the court" as described by Coach Collins.

## Varsity Boys Basketball

The Varsity Boys basketball team, was coached by Danny Krauss and his two assistants, Chad Jewett and Matthew Partin. This year Coach Krauss graduated 3 seniors, Gabe Jewett, Josh McLean, and Austin Dixon. The younger Warriors learned valuable lessons from the Seniors and by also being in a conference mixed with 1A-3A schools. The tough competition this year prepared our boys for our new conference to come, the Mid Carolina Conference in the NCISAA. Although the team was hit by the injury bug, they did not use it as a scapegoat to give up. The most complete game this season was played at Thales Apex, where the boys gave everything they had and showed tremendous heart in a 74-52 win. Gabe Jewett was voted Player of the year by opposing coaches in the Capital City Athletic Conference.

## MIDDLE SCHOOL GIRLS BASKETBALL

Middle School Girls Basketball was coached by Jennifer Thompson and assisted by Angie Register. The team of nine, had players at every grade level and is set up to be a strong program. The girls, mainly inexperienced players, grew together throughout the season and developed through fundamentals. The best all around performance was against Faith Christian's JV team. Our girls played hard and held the lead at half time before running out of gas in a 20-8 defeat. Our girls could have given up in that game, but instead showed great strength, one that can only come from God. No matter what challenges our girls faced this season they gave it their all and had smiles along the way.

## MIDDLE SCHOOL BOYS BASKETBALL

Middle School Boys basketball was coached by Mikel Simpson and assisted by Alan Pope. The team had a strong core of 8<sup>th</sup> graders mixed in with a developing group of 6<sup>th</sup> and 7<sup>th</sup> graders. The good mix of players created a strong foundation for the program to be successful for many years. The boys learned fundamentals and improved game to game by playing a tough schedule against 1a-3a schools. The Boys started the season strong winning a close game against Southern Wake Academy 36-29. The Boys also had a strong showing, taking a talented Mt.

Zion team to overtime at home, ending in a thrilling 45-43 victory. I am confident that our boys will be ready for competition at the next level.

## VARSITY SWIMMING

Varsity boys and girls Swimming was coached by Jennifer Winstead and assistant coach Dillon Frazier. The boys swam well, managing to put points up at every event even though they were outnumbered. The girls team was extremely strong this year winning three out of four meets. The team was led by Senior Julianna Eckard. She recorded the most points of the season and was voted CCAC female swimmer of the year. Our team had a strong showing placing third in the state against extremely tough competition at the State meet. With the success of our Swim Program this year, Coach Winstead was voted CCAC Coach of the year. Coach Winstead described her team as "a tight knit group of great athletes who encouraged each other to do their best, which resulted in an amazing season!"
