Philosophy of Christian Education

- Southside Christian School is a college-preparatory, Christian educational institution. The School's view of the nature of the student, truth, education, and the role of the teacher is integral to its statement of philosophy.

The Nature of the Student

The student is created by God in His image to have fellowship with Him, but is born in sin and separated from God. The student may be reconciled to God through faith in Jesus Christ and enabled by grace to learn and grow in truth. Each individual has gifts and abilities that need to be developed for God's own purpose. (Gen. 1:26-27; Ps. 51:5; Rom. 5:12; Eph. 2: 8-10)

The Nature of Truth

All truth is of God and no truth exists apart from Him. The Bible is the God-given, unchanging standard by which all things are measured. Apart from spiritual regeneration, the student cannot fully know and understand truth. (Psalm 19:7-11; I Cor. 2:9-12)

The Nature of Christian Education

Christian education is a process of presenting subject matter in a way that shows complete union with all of God's truth. It is a living demonstration of Biblical principles on the part of all personnel involved in the process. It has as its goal, the application of meaning and purpose found in Jesus Christ to all of life.

The Role of the Teacher

The teacher is expected to exhibit in fullest possible measure the fruit of the Spirit. The teacher should foster student effort and encourage the application of spiritual motives for learning. (Luke 6:40)

Statement of Faith

- We teach that the Bible is *the only* inspired, inerrant, complete, and authoritative Word of God that is sufficient for salvation and life in God. This includes the canonized books of Genesis through Revelation and excludes all additional books or additions to the canonized Bible. (39 Old Testament and 27 New Testament)
- We teach that, other than Jesus Christ and the canonized Scriptures, *no living human, writing or document* is or was able to inerrantly speak for God.
- We teach from the Bible that God is a tri-unity of three persons each existing separate from each other yet unified under one Godhead. He is the Creator of all things and has existed eternally without change, sovereignly controlling all things according to His purpose and will. As God, He determines all that is true and right and is in Himself all knowing, all powerful, all just, and all merciful. He is a God of wrath and of love. He alone is holy God.
- We teach from the Bible that each person was created for God's glory, has rebelled against this purpose, is totally depraved in sin from the time of their conception, fails to live up to God's righteous standard, and is rightfully subject to God's just condemnation and wrath. Each person is helpless to alter this bleak eternal status and must rely completely upon the mercy of God to save his or her soul from damnation.
- We teach from the Bible that God graciously poured out mercy upon mankind by sending His Son Jesus Christ to live God's requirement of righteousness. He willingly offered his life as a sufficient substitute sacrifice for the payment of people's sin, was resurrected bodily from the dead, and ascended back to his Father in heaven. He will return for his church some day in the future.
- We teach from the Bible that each person must repent of their rebellion and sin against God and receive Jesus Christ to save and rule over their life. Having done this, they receive the Holy Spirit, become adopted as children of God, are counted as righteous in His sight, and their salvation is secured.
- We teach from the Bible that the Holy Spirit is part of the tri-unity of God and indwells the believer to mature his or her faith and to purge the mortal flesh of its sinful impulses and habits while working to convict unbelievers of their sin and future judgment by God the Father.
- We teach from the Bible that there is a future resurrection for all mankind. Those who have received Jesus Christ will be resurrected to eternal life and will be rewarded by him in regards to earthly service. Those who have not received Jesus Christ will be resurrected to eternal death, judged by God the Father, and sentenced to eternal damnation in the lake of fire.
- We teach from the Bible that the Church is comprised worldwide of all races, tribes, and tongues who profess faith in Jesus Christ. They live on earth to glorify God and to fulfill the mission of his Son to make disciples of Jesus of all nations.

Core Values

Absolute Truth

Students will be taught that the Bible is the ultimate and final authority in all decisions. Biblical principles will be integrated into every subject for the purpose of training students to develop a biblical worldview. Students will learn how to use this worldview as a lens through which to interpret events, set goals, and gain wisdom.

Excellence

Students will be taught to pursue excellence in every aspect of their lives. Realizing that every work is to be an act of love and service to the Lord, mediocrity in attitude, work, or effort will not be accepted. This

spirit of excellence will be seen in the students' relationships, use of resources, and acts of service, thereby developing a lifelong pattern of excellence.

Servanthood

Students will be taught the importance of serving others. Just as God values all life, regardless of ethnicity, abilities, or age, so the students will learn to value all humanity as a gift from our loving heavenly Father. This attitude will be developed through learning effective and loving communication and by actively serving others.

Outreach

Students will be taught that people are created for the purpose of bringing glory and honor to God, that salvation through the blood of our risen Lord Jesus Christ is the only way to obtain eternal life, and that the message of salvation must be brought to a lost and dying world. Students will learn by example how to effectively communicate that message and to defend their faith in the world in which they live.

Integrity

Students will be taught by example how to live a consistent Christian life, both on campus and off, showing integrity in all areas of their lives.

Expected Student Outcomes
