

2019 SCS Summer Camps

Summer is just around the corner and it is time to sign up for Summer Camps at SCS! Here is a listing of the exciting camps that are being offered this year.

Use the attached registration form to sign up for the camps of your choice. Note a deposit of \$25 per camp is required at the time of registration. *Space is limited - Reserve your child's spot today!*

Art Camp with Mrs. Snapp

Camp Session: June 3 – 6

Grades K – 2: 9:00 a.m. – 12:00 p.m.

Grades 3 – 5: 12:30 p.m. – 3:30 p.m.

Do you like to make slime, play with Play-Doh, and paint? Come and learn some Art basics while we get messy, play games, and learn about God's love at Backyard Art Summer Camp!

Athletic Camps – Various Sports

Camp Session: June 3 – 6

MS Girls Soccer and MS Boys Soccer

June 10 – 13

MS Girls Volleyball

June 17 – 20

MS Boys Basketball

June 24 – 27

HS Girls Soccer and HS Boys Soccer

There are several sessions of SCS athletic camps. Please pay close attention to dates, times, and age ranges. These camps are for students who already play these sports or who are interested in trying them for the first time. Learn the fundamentals and hone your skills at these fun, challenging camps. Students interested in playing for SCS at the middle school and high school level are encouraged to attend that team's camp.

Note: All Soccer Camps are held at East Clayton Community Park, Volleyball and Basketball Camps will be held at RBI Training Academy (5244 US 70 Bus. W, Ste. 100, #400 Clayton, NC)

Beads and Bows Camp with Ms. Shouse

Camp Session: June 10 – 13

Grades K – 2: 9:00 a.m. – 12:00 p.m.

Grades 3 – 5: 12:30 p.m. – 3:30 p.m.

This camp will focus on art, crafts, and projects with an accessory theme. Campers will learn about colors, patterns, and symmetry as they complete projects that they can wear! At the end of the week, campers will have made at least one hair bow clip, one bracelet, and one necklace. All supplies are provided.

Meteorology Camp with Mr. Lattin

Camp Session: June 3 – 6

Grades 3 – 5: 9:00 a.m. – 12:00 p.m.

Camp Session June 10 – 13

Grades 6 – 8: 9:00 a.m. – 12:00 p.m.

Learn the basics of what causes the weather. Discuss the tools that are used to measure the atmosphere. Learn how the data collected is used in weather forecast modeling. Learn about different forecast models and how to use them to produce your own forecast. We will also learn about different types of weather including severe

weather. After the camp participants should be able to look at what's going on around them in the atmosphere and use what they see to predict the weather.

Science Camp with Ms. Turk

Camp Session: June 3 – 6

Grades 3 – 5: 12:30 p.m. – 3:30 p.m.

Grades 6 – 8: 9:00 a.m. – 12:00 p.m.

Students will enjoy exploring God's creation through observation, discovery, investigation, and design. Through hands-on activities, we will explore physics, chemistry, life and more! Come out and see what God has made for us to know Him better!

Spanish Culture Camp

Camp Session: June 3 – 6

Grades K – 2: 12:30 p.m. – 3:30 p.m.

Come explore the Peruvian culture with former missionary, Miss Holdren. Students will have fun expanding their Spanish vocabulary while they sing songs and learn about this interesting culture.

STEM Challenge Camp with Mrs. Snapp

Camp Session: June 10 – 13

Grades K – 2: 12:30 p.m. – 3:30 p.m.

Grades 3 – 5: 9:00 a.m. – 12:00 p.m.

K – 2: Take the Summer STEM Challenge! Can you build a robotic snail and make him glow? Can you make a marshmallow shoot across the room? Can you build a bridge that holds 100 pennies? Come find out at Summer STEM Challenge Camp. *3 – 5:* Take the Summer STEM Challenge! Do you like to build and program LEGO Mindstorms and WeDos with your friends? Can you build a marble maze out of a paper plate or make a marshmallow shoot across the room? Come join the fun at Summer STEM Challenge Camp!

Woodworking Camp with Mr. and Mrs. Pettet

Camp Session: June 10 – 13

Grades 4 - 8: 12:30 p.m. – 3:30 p.m.

Woodworking is one awesome skill that will be useful your whole life! Come join us for woodworking camp where we will learn woodworking safety and basics. We will have fun creating projects like birdhouses, wooden games and so much more. Also, together we will create one large project to benefit our school over the course of the week!

Please keep in mind this is a camp art lovers would also enjoy as we will also implement some painting - girls and boys alike will certainly enjoy learning more about woodworking!!!!
