

# THE WARRIOR WAY

The Fall Edition

October 2019

*EPHESIANS 3:20 Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is in work within us.*

*SCS athletics are off to a great start after an action-packed fall season. Our coaching staff worked hours upon hours to fill quality teams with individuals who exemplified hard work and strong character. Although we were unable to compete in post-season play this year, our teams finished with some very impressive wins against some very competitive teams. The highlight of the Fall season was our MS girls finishing with the best winning percentage of any team in SCS history, 94%. They only lost one game.*

## VARSIY GIRLS VOLLEYBALL

These girls, despite the team being entirely Freshman, battled all year to exceed expectations. Their being able to compete against Juniors and Seniors throughout the year is a great accomplishment in itself. The season kicked off with a nail biter against Epiphany where the team barely fell short in five sets. The girls were able to quickly bounce back with a good win over Triangle Math and Science. Coach Jewett had a theme for the season “we not me” that the girls were really able to buy into. With all the youth on this year’s team, the future is very bright for our Varsity girls’ volleyball team.

## VARSIY SOCCER

The guys fought hard throughout the entire year, despite some injuries along the way. They started the year competing in the Neuse River Cup, where they faced strong competition, setting the stage for some competitive games during the season. Specifically, playing Neuse Charter School in the Neuse River Cup and losing 7-1 then turning around and playing them at the end of the year and only losing 3-1, despite a major injury in the second half. Coach Sweat did an awesome job preparing the athletes for this season. With no seniors on the team this year, we are looking forward to seeing their continued growth next fall.

## MS GIRLS VOLLEYBALL

Wow! This is the best word to describe this team. From the first few practices Coach Hobbs said he knew there was something special about this team. With some rotational changes after a first game loss to Grace in Sanford, our MS girls were able to rattle off 15 wins in a row. This is quite the accomplishment especially competing in a very difficult Mid-Carolina Conference. Two highlights of the year really stand out. The first was going to Thales Apex and beating them in three sets. This was a great accomplishment for the girls as Thales has historically been a powerhouse in MS athletics. The second highlight was going to Neuse Christian Academy, beating them in three sets, and giving them their first loss of the year. This was also the team that went on to win the MCC championship. Congratulations to our MS Girls on an outstanding season.

## MS BOYS SOCCER

The boys jumped out to a great start to the season winning their first game against Grace Christian School in Sanford. Throughout the season there were some ups and downs but the guys kept fighting. The MS boys were led by their 8<sup>th</sup> grade captain Pete Winterstein who averaged more than a goal per game. The MS boys are going to miss their 8<sup>th</sup> graders and the impact they had on the team this year. The season ended in a special way when the guys were able to beat a very good Southern Wake team 3-2, surrounded by hundreds of fans at our fall family fellowship. Coach Winterstein did a great job developing the guys both physically and spiritually. Many of the practices coach would pull the guys to the side and share with them some Scripture. The emphasis on the season was not just developing soccer players but Godly young men.
