FINANCIAL INFORMATION – 2025-2026

Your tax dollars are at work. NC has appropriated some of the taxes you pay to follow your children to SCS to help cover tuition. Students do not need public school attendance in order to qualify. This can significantly impact your tuition and fees expense for next year. Learn more here: <https://www.ncseaa.edu/k12/opportunity/>

This program will carry an additional cost to families for either moderate (3 periods/week), intensive (5 periods/week), or more of LSP. Families will be asked to provide documentation of their child’s learning needs (IEP or 504 Plan) during the admissions process to assure that the SCS LSP program can adequately support your child’s education. The cost of the program (above SCS tuition) for the 2025-26 school year is \$2,200 for the moderate support, \$3,150 for the intensive support, or \$4,000 for intensive plus support. Study hall sessions 2-3 times per week from 2:30-3:00 to complete work or start homework is \$1,200 for non-LSP students.

Please note that the cost covers additional resources required for this support program. The ESA+ Program does, in some cases, cover the LSP fees and tuition. (Please see below for more information.)

TUITION ASSISTANCE: Tuition Assistance Awards are based on the family’s demonstrated need as determined by FACTS Management Company, a third party agency that makes financial needs assessments for schools. Each award is granted in the form of a discount to tuition and is for one year only. Assistance is awarded to returning families first. The application deadline is April 15, 2025. New students must be accepted by SCS prior to Tuition Assistance being requested. Families who receive SCS Tuition Assistance must remain current with their tuition payments or the TA award will be forfeited.
